FOOLS OF SAME COLOR CONGREGATE TOGETHER!

=====

PUPIL: Why is it that people support politicians even when they are known history-sheeters?

GURU: THE HERD INSTINCT!

This is something inherent in all living beings, though more obvious in higher mammals.

We see that animal herds all have a hero, or leader.

=====

G: Upon cues received from the hero, animals stay calm, start eating, or flee depending on circumstances

P: So, let us say that a hero Buffalo got old & lost his critical faculties.

Now imminent danger is looming in form of a lion pride. A non-hero saw it & started to run, then?

=====

G: Herds run in closely packed groups making it difficult for lions to zero in upon one, to kill it.

Our scenario, there is a high chance that the one who ran gets targeted! Old fool continues as leader!

Post kill, lions don't disturb & are busy with eating. Next time he falls.

=====

G: Young can always challenge old fool & winner becomes new leader.

Physical strength is the greatest "thing" for animals still, including us!

P: Yeah! Big bully is school hero, not scholar!

G: Movies without STUNTS & GORE! FLOP EVERYWHERE
as humans by nature are bloodthirsty!

=====

G: Plays became unpopular because of this human
preference for violence!

Most preferred foods are made & marketed in RED!

Only EDUCATION & FEAR OF LAW restrains US from
eating our neighbors!

P: People watch bloody BULL MURDERS LIVE & goes ooh la
la! & they all scream for more!

=====

G: The exalted ride to hounds & enjoys seeing foxes torn
apart alive!

Some of US pays a fortune to have 2 humans punch against
each other!

It is a prestigious event in Olympics!

The daily killing of millions of fish, birds & animals is not
enough to quench the primordial urge!

=====

G: Back on track, all humans are hero-worshippers!

We always look up to some FOOL to lead US, who in reality
is no better than us!

P: Blah blah blah is the MARK OF A BORN LEADER, not
action!

G: Then, once a leader, ONLY YOU get media coverage &
ensuing familiarity among public!

=====

G: Not knowing who to pick from a billion strangers,
people usually resign themselves into picking the familiar
face!

P: And If this familiar advocates fierceness & shows of
strength, crowds hail him as an avatar!

G: Exactly! Followers themselves being bloodthirsty
congenitally!

=====

G: Now we have professional party networks that generate
charisma! for anyone who pays!

GROUPS provide a sense of safety for people who knows
no better!

ALL ARE COURAGEOUS IN GROUPS, COWARDS WHEN
ALONE!

P: So, proclivity for a hero & herd is the reason for criminal
reelection!

GROOMING THE YOUNG TO BE FUTURE KILLERS!

=====

CULTURAL PITFALLS OF VIOLENCE

Prevailing violence-orientation of society permeates down
to young generation!

Everywhere on earth small children are playing murder
games on mobiles & computers, shooting humans, spilling
blood with accompanying screams & death rattles.

It is fun!

=====

Bloody Murder games are an industry that provides
livelihood for a million, they say!

So is heroin industry! Why discriminate then?

Slavery was the bread & butter for thousands
of hardworking entrepreneurs! for centuries!

DEMOCRACY IS NOT A PRETEXT FOR INTELLECTUAL
IMBECILITY!

=====

Children growing up in such a culture learns to devalue
LIFE very early.

This tears the family fabric later as you already lost respect
for others.

Hence majority humans are unable to find professional
satisfaction anywhere except in military/police career!
where FORCE IS NORM!

=====

Strict rules are needed to curb CHILD VIOLENCE & school
shootings. Until they turn 18, no child should play murder
games & watch bloodsports.

Parental control is not porn exclusive.

XXX is nothing when compared to violent-games that bring
out a SCARRED INDIFFERENT GENERATION!

=====

Do you think that bringing a generation up on an
entertainment diet consisting only of cartoons, clean jokes
& OLD-WORLD games are going to turn them into
weaklings? who might shrink from patriotic killing duties if
need arise?

HUMANS TAKE TO VIOLENCE LIKE FISH TO WATER!
ANYTIME

=====

IT IS WELL WITHIN THE BOUNDS OF POETIC LICENSE
FOR CREATIVITY TO BUILD VIRTUAL GAMES WHERE
TEEN-AGERS CAN PLAY RAPE GAMES! FOR PRACTICE! in
spectacular settings!

If we don't encourage it, it is HIGH TIME THAT SOMEONE
TOOK CHARGE & ENDED THIS PERVERSITY!
DEMOCRACY IS DISCIPLINE!

Four archeologists were digging around an ancient
sarcophagus in a remote island in South Seas.

"Don't worry, I'm Hurray Loner from the land of magic & mysticism! I will decipher the secret inscriptions!" And he did!

Told others that a great Chief is buried in, per tomb epitaph!

=====

"I'm Powero Stronganovich from Land That Shook The World! I will remove the rock lid!" And he did!

They all saw a surprisingly well-preserved ancient corpse!

"I'm Lord Perfidious Albion III, from Empire Where Nights Never End!

I can make this ancient rise again with lightning!"

=====

The first two wanted to take a break & eat first.

Immediately the fourth one SHOT! both under knees! and said:

"I'm Dr. Freeall Juicenstien from Cradle Of Democracy

Land! I will uphold your individual freedom & right to
research! & I know we are racing against a time deadline!"

=====

Came a tropical thunderstorm! with Hurricane!

LIGHTNING STRUCK! LO AND BEHOLD!

THERE ROSE AN ANCIENT SAVAGE CANNIBAL CHIEF!
WHO KILLED & ATE THEM ALL!

WEASEL WORD FOR PROFESSIONAL POLITICIANS!

=====

ADDENDUM TO CAPITALISM VERSUS COMMUNISM

Post initial establishment, spread, propaganda & collapse at
origin, COMMUNISM still is PRACTISED by many a nation.

The trick is to use the name COMMUNISM exactly and exclusively for that purpose alone! & none other! Only in name!

Some countries are perfectly capitalistic AT PRESENT yet use the word COMMUNISM as a front, because they improved their lot initially with COMMUNISM.

Leadership now is scared to change the name & policy fearing public backlashes! & unpredictable POLITICAL instabilities!

Some military juntas & banana republics also hide behind COMMUNIST facade, as it gives autocrats great leverage to use force! & subdue people!

They have an idea that though they are really fakes!, "original" COMMUNIST countries do use FORCE! Have become dynastic even!

The matter is further muddled black as countries lack people "WHO REALLY UNDERSTANDS WHAT THE HELL REALLY IS COMMUNISM!"

DEMOCRATIC countries sport COMMUNISM as a
POLITICAL PARTY, only that! & try their level best to
minimize displays of government extravaganza publicly!

COMMUNIST parties working in ostensible democracies
ALWAYS TRY TO WOO the POOR!, again publicly! that too
with a lot of publicity!

They announce UN-IMPLEMENTABLE below-poverty-line-
oriented schemes all the time, on a faint notion that this is
what COMMUNISM is all about!

Great oriental philosopher Complications once remarked:

ANTHROPOMANIA (NEW WORD)

The word "ANTHROPOMANIA" has been included in the latest edition 2019 C.E. of "Axford Advanced Learner's Dictionary

" anthropomania /ˈænˌrɒpəˈmeɪniə/ noun:

Common human trait of having excessive obsession or preoccupation with issues relating to humans.

=====

Anthropomania (/ˈænˌrɒpəˈmeɪniə/) noun

(Refers to homo sapiens going through whole lifetimes seeing, hearing, reading, thinking & even dreaming only about other humans & matters related to them.)

This congenital characteristic precludes humans from perceiving nature as a whole.

=====

noun: Though he lived near a national park, anthropomania prevented him from gaining any biological or geographical

knowledge.

adjective: Liz is a born anthropomaniac wired always to
videos & images depicting only human affairs.

verb: Don't anthropomorphize Ed, let him play with dog.

=====

Man go through his life blind, deaf, dumb & dead to grass
growing, wind blowing, earth murmuring, seas roaring, just
to name few.

After a month of viral videos, memes & jokes,
entertainment high-riders seeking novelty occasionally
turn to pain & misery, but again only of humans'.

=====

Prevailing anthropomania prompted "The Cosmopolitan
Times" to send Ace reporter & famous faunaglot Hurry K.
Sadder to interview nature.

The reporter went deep into Sea initially.

"Mademoiselle Fish, I presume?"

"Betcha! We were waiting to meet a faunaglot! We protest!"

R: Oh!

=====

F: "Human religions teach that God helped fish murderers to catch us! What sort of apartheid is this so-called God practising? Aren't we God's children?

On life- threatening situations who are we supposed to pray to? if God himself is betraying?"

R: Oh! Will notify authorities!

=====

"Monsignor Pig, I presume?"

"Why is this damned discrimination against eating PORK?

Aren't we God's children?

These stupids KILL & eat EVERYTHING! We protest against
TABOO!

This old pig here hails from Vikings!

See this sow, her great-grandfather lived at Palace of
Versailles!"

=====

"Pig ancestry is prodigious!

My great-uncle came from Athens!" Blue blood flows
through our Pig veins! City-dwelling rich pigs are called
Boston Brahmins! We pigs vociferously protest at this
discrimination!"

R: "I understand the predicament your Pig eminence! I will
notify".

=====

"Señorita cow, I presume?"

"You bet! Why are humans calling us MOTHER & STEAL
OUR MILK, STARVING OUR CHILDREN?

Why worship us stupidly right after CRUELLY SELLING
BULL-CALVES? or EJECTING THEM ONTO ROADS?

We are no bloody mother of any BARBARIAN HUMAN!
mind you!"

R: Will notify.

=====

"Herr Ram, I presume?"

"Yes it is! It has come to all goats' attention that humans
celebrate a holiday IN OUR NAME, THE DAY RESERVED
FOR KILLING GOATS! EN MASSE ALL OVER WORLD!

Killing for food we understand, but to reserve a day just to
kill, unacceptable!"

R:Oh! Will notify!

=====

"Miss Turkey, I presume?"

"Yes it is! We all hate humans! Goat is right! Killing for food
isn't what we object to!

TO DESIGNATE & CELEBRATE A DAY JUST TO KILL
TURKEYS! Unbelievable!

"IS THIS WHAT GOD TEACHES YOU?"

R: Very embarrassing situation for humanity indeed, will
notify.

=====

"Why do you deliberately ignore us floraglot?"

"Never Comrade marijuana! Actually was preparing my
notes. Pray tell"

"All flora want this issue to be addressed immediately! It
has come to our notice that off late cruel humans have
started to wantonly destroy marijuana plants!

=====

R: Beg your pardon Comrade, it is really a legal issue!"

C: "Cannabis plants lived here for millions of years before
first primeval humans evolved!

WE FACILITATED LIFE FOR HUMANS HERE!

All your GODS ARE DEAD MEAT! WITHOUT OXYGEN

WHICH WE PRODUCE!

R: Yes Comrade, Shockingly true!

=====

"How the heck can humans adopt cruel & stupid policy
destroying flora?

Our ancestors filled earth with oxygen, absorbed CO2 &
made this planet inhabitable! Not only for bloody humans
but also for fauna!

We did that for a zillion years & you cut us down on a 50-
year-old policy?"

=====

R: "All true Comrade! I myself don't know why politicians
do this!"

M: "OK, will tell you Politicians CONSPIRE TO PROMOTE
ALCOHOL & TOBACCO, as these 2 LETHAL TOXINS GIVE
POLITICIANS STAGGERING PROFITS!

WE ARE NATURAL!

ALCOHOL & TOBACCO ARTIFICIAL!"

R: HIGHLY ADDICTIVE TOO!

=====

"TOBACCO IS PROVED TO BE CARCINOGENIC!

WE ARE NOT

30 ml OF ALCOHOL KILLS MILLION BRAIN CELLS!

WE DO NOT

YOU MAY USE US, COUGH, GET COPD & BE BIT SLOW &
INACTIVE, SURE! BUT CANNABIS CAN BE STOPPED
ANYTIME, NO ADDICTION!"

R: All cigarettes are made by Central Government here!

=====

"EXACTLY! It is in politicians' interest that cancer-stick
selling is encouraged & cannabis made unlawful!"

R: Alcohol companies pay HUGE BRIBES to promote sales &
ban marijuana!

M: People had been using natural intoxicants for centuries
FREELY!

POLITICIANS BANNED IT JUST NOW!

=====

IT'S ALWAYS BEST FOR HUMANS TO LIVE WITHOUT
USING ANY INTOXICANTS.

R: BUT IT HELPS COMRADE! LIFE BEING WHAT IT IS!

M: FINE, IN THAT CASE, BETTER GO NATURAL & SHUN
ARTIFICIALLY PROCESSED THINGS!

WE PRODUCE OXYGEN, SO YOU CAN ALL SHUT UP! GOD
INCLUDED!

R: TRUE. I will report!

SPACE-TIME THEORY AND FICTIONAL PRACTICE!

=====

Ace reporter Hurry K. Sadder then used the latest THC
technology, boarded "Space Ship HK Odysseus" & reached
600 b.c.e.!

Great oriental philosopher Complications welcomed him heartily, served rice with pork Szechuan & said,

"You know future-man, we need to boil pork for 2 hours!"

=====

"O honorable master, now we can do pork in 20 minutes with pressure cooker! I came because of rumours that you stopped marijuana!"

C: Fine, marijuana is my second choice, used only when cannabis is unavailable.

R: Would you please enlighten me about intoxicants of world, master?

=====

C: "Basically all intoxicants are of 2 kinds.

1. STIMULANTS.

2. DEPRESSANTS.

Let us not use the word DEPRESSANTS!

As the word, in future, in your age, will have NEGATIVE
CONNOTATIONS, VULGARIZED BY QUACK
PSYCHIATRISTS! Let's use PACIFYING instead."

R: Correct, O venerable one.

=====

C: "Intoxicants again are classified into three.

1. Drugs that cause harm only to its user.

2. Drugs that cause harm to user & family.

3. Drugs that DESTROY THE USER, FAMILY & SOCIETY!"

R: Oh!

C: Cannabis come in the first group. The leaves of plant,
eaten PACIFIES the user!

=====

C: Marijuana is flower of plant but it has to be INHALED
which is unnatural, as opposed to eating & should be
avoided if possible.

Cannabis is BEST, one can eat or drink with very minimal to no harm, provided use is limited, like a drink every evening after work, right before supper.

=====

C: CANNABIS, as opposed to all other human intoxicants,
NEEDS TO BE WON!

The first ten days will bring out your DEEPEST FEARS,
PHOBIAS & SHAME right onto your mind.

You SHIVER and CRINGE in shame! as all the WORST of
your miserable life, kept HIDDEN & wanted to forget
SURFACES!

=====

R: Only when alone! Not in company!

C: What's the purpose of using a drug if it can't help one to
self-realize who you really are? If drug doesn't aid in self-
contemplation, meditation, repentance & reform, what is
the damn purpose?

R: O respected sir, we use it for RECREATION!

=====

C: Then future-men are definitely a sorry lot, Intoxicant-wise.

R: True, master.

C: Everyone do not need drugs to SAIL LIFE Majority World WOMEN do not use any intoxicants & wade through life's pain, tragedy, starvation & misery uncomplaining!

R: Suffered women are impossible!

=====

C: Women change when situation improves.

Now, cannabis, if it harms, harms only the user. It is the LEAST ADDICTIVE & could be dropped cold turkey anytime.

R: True.

C: TOBACCO IS RADIOACTIVE & HIGHLY ADDICTIVE!
Being a CARCINOGENIC, it destroys the health of everyone in family!

=====

R: World governments encourage TOBACCO & ALCOHOL secretly while they discourage cannabis!

C: Pathetic! OPIUM is another highly-addictive natural narcotic which incapacitates & destroys the user on regular use, and SHOULD BE AVOIDED AT ANY COST!

Opium cold turkey will kill you!

=====

C: OPIUM in our days is used only as an ANAESTHETIC, to aid in surgery, child birth, etc.

R: We too! Morphine! Pethidine! Codeine! Oxycodone!

C: Fine. Let's now analyse the WORST AMONG INTOXICANTS THAT ARE STIMULANTS.

ALCOHOL REGULAR IS HIGHLY-ADDICTIVE & STIMULATES THE USER!

=====

C: ALCOHOL DOES THIS.

1. IN STARK CONTRAST TO CANNABIS, ALCOHOL
SUPPRESSES YOUR MENTAL PAIN & SHAME WHILE
BRINGING ONLY THE HAPPY MEMORIES, PRAISES &
ACHIEVEMENTS INTO THE FORE!

2. IT OBSTRUCTS NATURAL RESTRAINTS & MAKES ONE
FORGET SOCIAL INHIBITIONS, TO HIS PERIL!

R: Yes true!

=====

R: "If there is a RAPE there is ALCOHOL!"

C: Yes. Now,

3. ALCOHOL BRINGS OUT DUTCH COURAGE WHICH IS
INJURIOUS TO HEALTH!

4. CAUSES BRAIN BLACKOUT IN VARIOUS DEGREES &
STIMULATES ONE TO DO UNPARDONABLE CRIMES
WITHOUT HOPE FOR REDEMPTION!

5. ALCOHOLICS START TO LOVE THE BOTTLE!

=====

C: Arch enemies encountering each other while inebriated
on ALCOHOL, A STIMULANT,

R: INSTANT MURDER!

C: Yes. Same situation with CANNABIS, A PACIFIER,

R: ABSOLUTION, EXONERATION, CAMARADERIE &
"THOSE WERE THE DAYS!" Yeah!

C: RIGHT! TO REPEAT, LIVE LIFE WITHOUT ANY
INTOXICANTS.

=====

C: If indispensable, then go natural, pacifying.

R: ALCOHOL IS WORLD'S FAMILY KILLER!

C: Yes! It ruins RELATIONSHIPS by making you acrid &
physically abusive!

A man with a worrying, painful financial obligation
tomorrow, BORROWS TODAY! to drink as it makes him
forget his pain!

=====

R: Then on morning, CRISIS still persisting, he now has added a new debt!

C: He just becomes FORGETFUL about the HORROR for a few hours!

Like the RAPIST on alcohol gets a 5-second PLEASURE!
followed by LIFE IMPRISONMENT!

REMAINING NEW-AGE NARCOTICS ARE UNWORTHY OF
MENTIONING!

=====

Reporter: Yeah, ALL LETHAL TOXINS! & their USE no different from ingesting potassium cyanide straight!

Complications: Wrong!

KCN kills instantly where as TOBACCO, ALCOHOL & NEW
INTOXICANTS KILL YOU INCH BY INCH, MAKING LIFE A
TORTURE, DESTROY FAMILIES, & MAKE YOU AN
ANTISOCIAL!

=====

PRAGMATICS ON HUMAN INTOXICANTS

Though we all know that NATURAL PACIFIERS win hands down against ARTIFICIALLY PROCESSED SYNTHETIC STIMULANTS any day of the week, positive policy changes are far from reality.

The situation is same all over the world, all countries, all governments.

=====

The reason for EARTHY POLITICAL INDIFFERENCE & INACTION towards a more healthier DRUG POLICY CHANGE is mainly due to these two harsh realities!

1. TOBACCO & ALCOHOL ARE PROFESSIONALLY ORGANIZED SECTORS!

2. CANNABIS & MARIJUANA ARE AMATEURISH UNORGANISED SECTORS!

FINANCE RULES!

=====

Advocacy & lobbying for promotion of natural pacifiers against synthetic products become EXTREMELY DANGEROUS for any citizen worldwide because,

1. NATURALLY PACIFYING INTOXICANTS CARRY SOCIAL
STIGMA OF BEING "ILLEGAL!"

2. INDIVIDUALS NEITHER HAVE MONEY NOR POWER TO
EFFECT CHANGE.

=====

Prevailing criminal law against cultivation, possession &
selling of cannabis & marijuana in majority countries is
shockingly brutal and unbelievable!

Administrations do this crime against humanity & flora.
Concurrently they promote tobacco & alcohol which are
officially legal!

=====

Highly organised & professionally managed distilleries &
cigarette manufacturers pour in billions to squash any
potential competition! natural or not!

Established sectors of alcohol & tobacco becomes part of a
socially acceptable contemporary culture!

Movies reinforce the idea!

=====

Alcohol & tobacco industry recruits potential future addicts using social conditioning!

Young hero-worshippers are mesmerized by style, charm & flair of macho male idols drinking & smoking! with stunts/songs, doing "grown-up things" closed to them!

Hence they start to yearn!

=====

Simultaneously, cannabis & marijuana are VILIFIED using the same channels where natural pacifier users are depicted as antisocial criminals who cough up blood! are malnourished & unhygienic!

To add insult to an injury, cannabis/marijuana are ILLEGAL/CRIMINAL! Sentences HORRIBLE!

=====

Let it be politicians, movie producers, local heroes, police officers or journalists, HERD INSTINCT dictates it beneficial for everyone TO PROMOTE LEGAL PRODUCTS peddled by organized sectors & TO ALWAYS GO AGAINST ILLEGAL unorganised sectors!

Swimming against HERD is dangerous!

=====

TO BE PERFECTLY PRECISE

THINK TANKS & INTELLECTUALS PRACTISE HERD
INSTINCT ON MATTERS REGARDING INTOXICANTS!

MOVERS AND SHAKERS OF POLITICS, MEDIA & FINANCE
ARE PROMPTED INTO CORRESPONDING ACTION BY
GREED & MONETARY GAINS!

PSYCHIATRY-ASTROLOGY COMBINED CRASH COURSE!

=====

PRAGMATICS OF ADDICTIONS

MOCKERY OF THE CENTURY!

Addicts, especially alcoholics, are considered as mentally ill
Alcoholism is propagandized by QUACK PSYCHIATRISTS as
a DISEASE!

They advertise it so, conducting health camps all around
with colourful banners & a lot of fanfare!

=====

People become smokers, alcoholics & substance-abusers
due to hundreds of emotional & socioeconomic factors,
which is outside the realm of the possible for us to discuss.

What we endeavour is to try and expose the FALLACY OF
DE-ADDICTION CENTER RUN BY PROFITEERS! & their
CRUELTY!

=====

Smokers smoke and alcoholics drink regularly because
their physique & psyche demand it.

Chemicals generate physical craving which is easily
understood.

Repetitive actions of substance abuse gradually generate
associative memories, which prompts people to repeat
their addiction.

=====

e.g. A man who regularly smoke or drink does it quite often
that majority wake-time is associated with UNEVENTFUL-

ADDICTION!

On major frustration that is comparatively rare in his life,
he immediately resorts to routine addiction as he
REMEMBERS PEACE-TIME associated with abuse!

=====

This human trait, in addiction, works as a subconscious
mnemonic to stabilize mood.

In religious freaks, it works same, stabilising mood on
repetitive ceremonial actions like doing rosary or chanting
mantra as majority wake-time is associated with memory
of peace/uneventfulness!

=====

Issue becomes critical only in substance-abusers because
of financial, verbal & physical abuse reasons, which is
absent in religious freaks!

Men & women are unique & all display eccentricities of this
or that all through their lives. Some mannerisms fade out,
some stay for life!

=====

QUACK PSYCHIATRISTS had been tarnishing modern

medicine for centuries.

e.g. Drapetomania was a conjectural mental illness
propagated by early psychiatrists.

This "MENTAL DISORDER", psychiatrists said, prompts a
SLAVE to run away!

SLAVES without Drapetomania will HAPPILY endure slave
owner's torture and will stay! QUACK PSYCHIATRISTS said!

If a rich man walks naked WITHIN his home, it is a
tolerable eccentricity!

If a poor man does it, he is considered INSANE!

=====

If a man sits alone in his room and speaks to himself, he is
diagnosed by QUACK PSYCHIATRISTS as a CRAZY looney!

If religious freak sits alone in his room and chants mantra
to himself, he is regarded by QUACK PSYCHIATRISTS as a
NOBLE man!

Asylums are just money making machines!

=====

In all major medical institutions, we can observe that psychiatry patients are FAR LESS IN NUMBER than in other faculties, globally.

Owing to this factual discrepancy, SHRINKS, pained at the reality that their peers are making more money, BRAND HUMAN ECCENTRICITIES AS DISORDERS!

=====

A DISEASE is an abnormality which can be precisely diagnosed using laboratory tests & other clinical observations.

A DISORDER is an imaginary illness propagated by greedy, quack psychiatrists!

A DISORDER is a shrink-concocted malady NON-DIAGNOSABLE using clinical-laboratoy tests!

=====

Psychiatry alone won't pay much. Hence we have DE-ADDICTION pseudoscience centers too now in asylums.

There are only 3 categories of psychiatric patients.

1. Patients with brain anomalies (sedation, restraining, no cure).

2. Men who can't earn (no cure).

3. Addicts (no cure).

=====

MODUS OPERANDI

CRUEL PERVERT PSYCHIATRISTS imprison addicts & financial failures initially for 2 months with 2 visits, usually.

In-house, victims are force-fed mind-altering chemicals like haloperidol, which make you insomniac & during REM sleep horrifies you with psychedelic nightmares!

=====

Psychiatric torture is same for all! IMPRISONMENT,
CHEMICALS & THREATENING!

Addicts are frightened with indefinite institutionalisation, if they relapse on release.

Financial failures are intimidated with electroconvulsive SHOCK treatment, on return. Victims are BEATEN OFTEN.

=====

Substance-abuse & earning issues which are neither disease nor disorder can't be treated or cured, true. That hardly prevents cruel psychiatrists from TORTURING a victim who returns with electroconvulsive SHOCK.

For the pleasure of using ELECTRIC SHOCK on a man, they bill high!

=====

The smoker & drinker, scared out of their wits, after experiencing the BRUTALITY, THRASHING, SALIVATING-CHEMICALS, BRAIN-FRYING SHOCK & THREAT OF EVERLASTING HOSPITALIZATION, cry and beg like babies, in a month, to get out.

They will promise the psychiatrist anything to go home.

=====

Once out, the substance-abuser of course will exercise his IRON-WILL to refrain from addiction!

The TERROR of mental asylum makes him do that, at least temporarily.

BLOODY FOOLS OF HIS FAMILY BECOMES CONVINCED
ABOUT EFFICACY OF TREATMENT!

Reoffence is the rule, sooner or later!

=====

The financial failure also scrambles for job due to TERROR!

PSYCHIATRISTS & DE-ADDICTION CENTERS THRIVE ON
RE-ADMISSIONS! From then on, IT IS NO HOLDS BARRED!

LEEWAY ENJOYED BY PSYCHIATRISTS IS UNBELIEVABLE!

THEY CAN DO ANYTHING TO A VICTIM!

EVEN SUICIDES ARE SEEN AS NORMAL!
